

MOSER'S SUPERMARKETS

1/2 % REBATE PROGRAM RULES

Bring a copy of your non-profit letter from the Missouri State Department of Revenue so we can register your group for this program.

All receipts must be bundled in \$1,000.00 lots, with adding machine receipt attached totaling each bundle. There should be 10 lots or more per redemption. Meaning each redemption would equal at least \$10,000.00 or more. Receipts from each store must be kept separate, example Fulton receipts separate for Columbia, Holts Summit separate for Jefferson City, etc.

Items to be excluded are tobacco, liquor, postage, money orders, lottery purchases and tax.

This is a great way we can all help our community and you will be surprised at how quickly the receipts will add up to big dollars for your organization. Example: \$10,000 in receipts = \$50.00 cash back to your group.

If you need additional information, please stop by our stores or call any of our locations.

Thank you,
Roger Moser
